

FEBRUARY 2019

# Inside Sherpa – Digital Internship

Technology, Strategy & Architecture – TS&I

*Work in Progress Module Tasks and Ideal Responses*

# Index

- Introduction
- Considerations

# Introduction

- On this presentation will be shown consideration to have before building or buying an online banking solution.
- It is organized in topics to keep in quick and simple.

# Considerations

- Timeframes
  - frame timelines;
  - delivery milestones;
  - documents and deliveries expected;
  - key stakeholders.
- Delivery Approach
  - Agile vs waterfall model;
  - Supporting tools (slack, trello, etc).

# Considerations

- Resource Requirements
  - Qualified staff:
    - On house;
    - Outsource.
- Cost Estimates
  - Time;
  - Hardware (servers, computers, ...);
  - Software;
  - Maintenance.
